

STATEMENT OF PURPOSE

RS27583 / H0463

This legislation creates a new section in the Juvenile Corrections Act authorizing counties to create a juvenile pretrial supervision program and to collect associated fees. The legislation also authorizes counties to collect electronic monitoring and drug and alcohol testing fees if they provide the services. Lastly, the legislation allows for the collection of adult pretrial supervision fees for a withheld judgement.

FISCAL NOTE

There is no impact to the state general fund or to counties. The fees authorized in this legislation are already collected by counties through an administrative collection process outside of Odyssey. If enacted, this legislation would allow those fees to be collected through Odyssey.
